MAPAL supports aid alliance

MAPAL donates 1,490 euros to the regional aid alliance "Earthquake Aid Hatay". In this way, the company supports the reconstruction of the region around the Turkish city of Antakya and promotes the voluntary commitment of employees. Several employees, together with the Antakya-Aalen Cultural Club, are actively involved in the Alliance's aid projects in the region, which was hit hard by last year's disaster. The money was raised at a company event, and the staff took part in the campaign. The amount will be made available in full.
